

Longmont Department of Public Safety

Thank you for your inquiry into partnering with the Longmont Department of Public Safety (LPDS) **Angel Initiative** as one of our **Angel Employers**. The LPDS has partnered with the Police Assisted Addiction and Recovery Initiative (P.A.A.R.I.) to help people suffering with addiction. In order to begin the process, please complete the following form. As an **Angel Employer** we are asking for the following commitment:

- A commitment to a 48-hour turnaround time from the LPDS makes a request for assistance for part-time employment.
- A commitment to have your entire staff aware of the arrangement between the Longmont Department of Public Safety, PAARI and your organization.
- A commitment to make an entry level position available to Angel participant who has successfully completed in-patient treatment or has completed one month of outpatient treatment.
- Please note: Angel Participants have been screened and are not allowed to participate in the program if they have an arrest history for violent crimes or sexual offenses or narcotics distribution.
- This entry level position would include a commitment to pay the Angel participant for 30 hours of work per week for a minimum of two months.
- A contact person and telephone number.

The goal of the Angel Employers Initiative: Provide an Angel Participant who has demonstrated a commitment to recovery an opportunity re-enter our community, stabilize their life with employment and allow them to an opportunity to develop some job skills with some flexibility to find a permanent employment. What we offer, in addition to the obvious facilitation into employment for people suffering from this disease, is an opportunity for Angel Participants re-enter the work force in our community with dignity and respect and give our employers the opportunity to help end addiction. Angel Employer partnerships will be listed on our website (www.longmontcolorado.gov/publicsafety) and on our Facebook at Longmont Police and OEM, as an official partner.

If the above is acceptable, please provide all the information and we can begin the partnership process. **We understand, the Angel Participant may also be required to complete an application and job interview following our request for assistance. This partnership does not create any expectation an Angel Participant will remain in a position if they cannot fulfill their duties and obligations for their position.**
