

ACA Citizen Portal – Scheduling an Inspection

<https://aca.ci.longmont.co.us/CitizenAccess/>

Welcome to the **Citizen Portal** page. This website allows users to submit various types of applications or code complaints. This website will also allow users to search existing permit information for any address within the city of Longmont. The current available applications are:

- Building
 - Combo Permit –Residential
 - Fence
- Enforcement
 - Create a Complaint
- Licenses
 - Contractor Application
 - Backyard Chicken Hens
 - Wood Burning
 - Sales and Use Tax

This guide demonstrates how to schedule an inspection for any record. To schedule an inspection registering for an account is recommended but not required.

The Home Page

After loading the website, you will be directed to the **home page**. More features become visible once you log in.

Please register for an account to take advantage of an easier way to apply for various applications. If you work for a company as an assistant it would be best to create an account on behalf of the company.

Please take note of announcements and information about upcoming maintenance or down time in the center of the page.

We are pleased to offer our citizens, businesses, and visitors access to government services online, 24 hours a day, 7 days a week.

In partnership with **Accela, Inc.**, we are fulfilling our promise to deliver powerful e-government services and provide valuable information about the community while making your interactions with us more efficient, convenient, and interactive. To use ALL the services we provide you must register and create a user account. You can view information, get questions answered and have limited services as an anonymous user. We trust this will provide you with a new, higher level of service that makes living and working in our community a more enjoyable experience.

To schedule an inspection please search for applications first. After finding the permit, "Inspections" can be found under the "Record Info" tab. Use the "Action" button to schedule a date.
