TAKE YOUR PLACE ON A CITY BOARD OR COMMISSION!

What is your passion? Preserving history? Programs for senior citizens? Longmont's beautiful parks and open spaces? Ensuring that community services are available to everyone?

If you have a desire to serve your community and participate in the deliberation of topics of importance to the city, consider serving on a volunteer advisory board. Applicants must be registered voters and residents of Longmont for at least one year prior to serving.

It's easy to apply! Visit the City's website at www.longmontcolorado.gov/board-application
 Questions? Call the City Clerk's Office at 303-651-8649.

Join Coffee with Council in 2019

The public is invited to Coffee with Council January through October, at locations throughout Longmont. Find locations online at LongmontColorado.gov
Jan 26, Feb 23, Mar 30, Apr 27, May 18 | Saturday, 9-10am

For information about city council meetings and agendas, visit www.LongmontColorado.gov or call the City Clerk's Office at 303-651-8649.

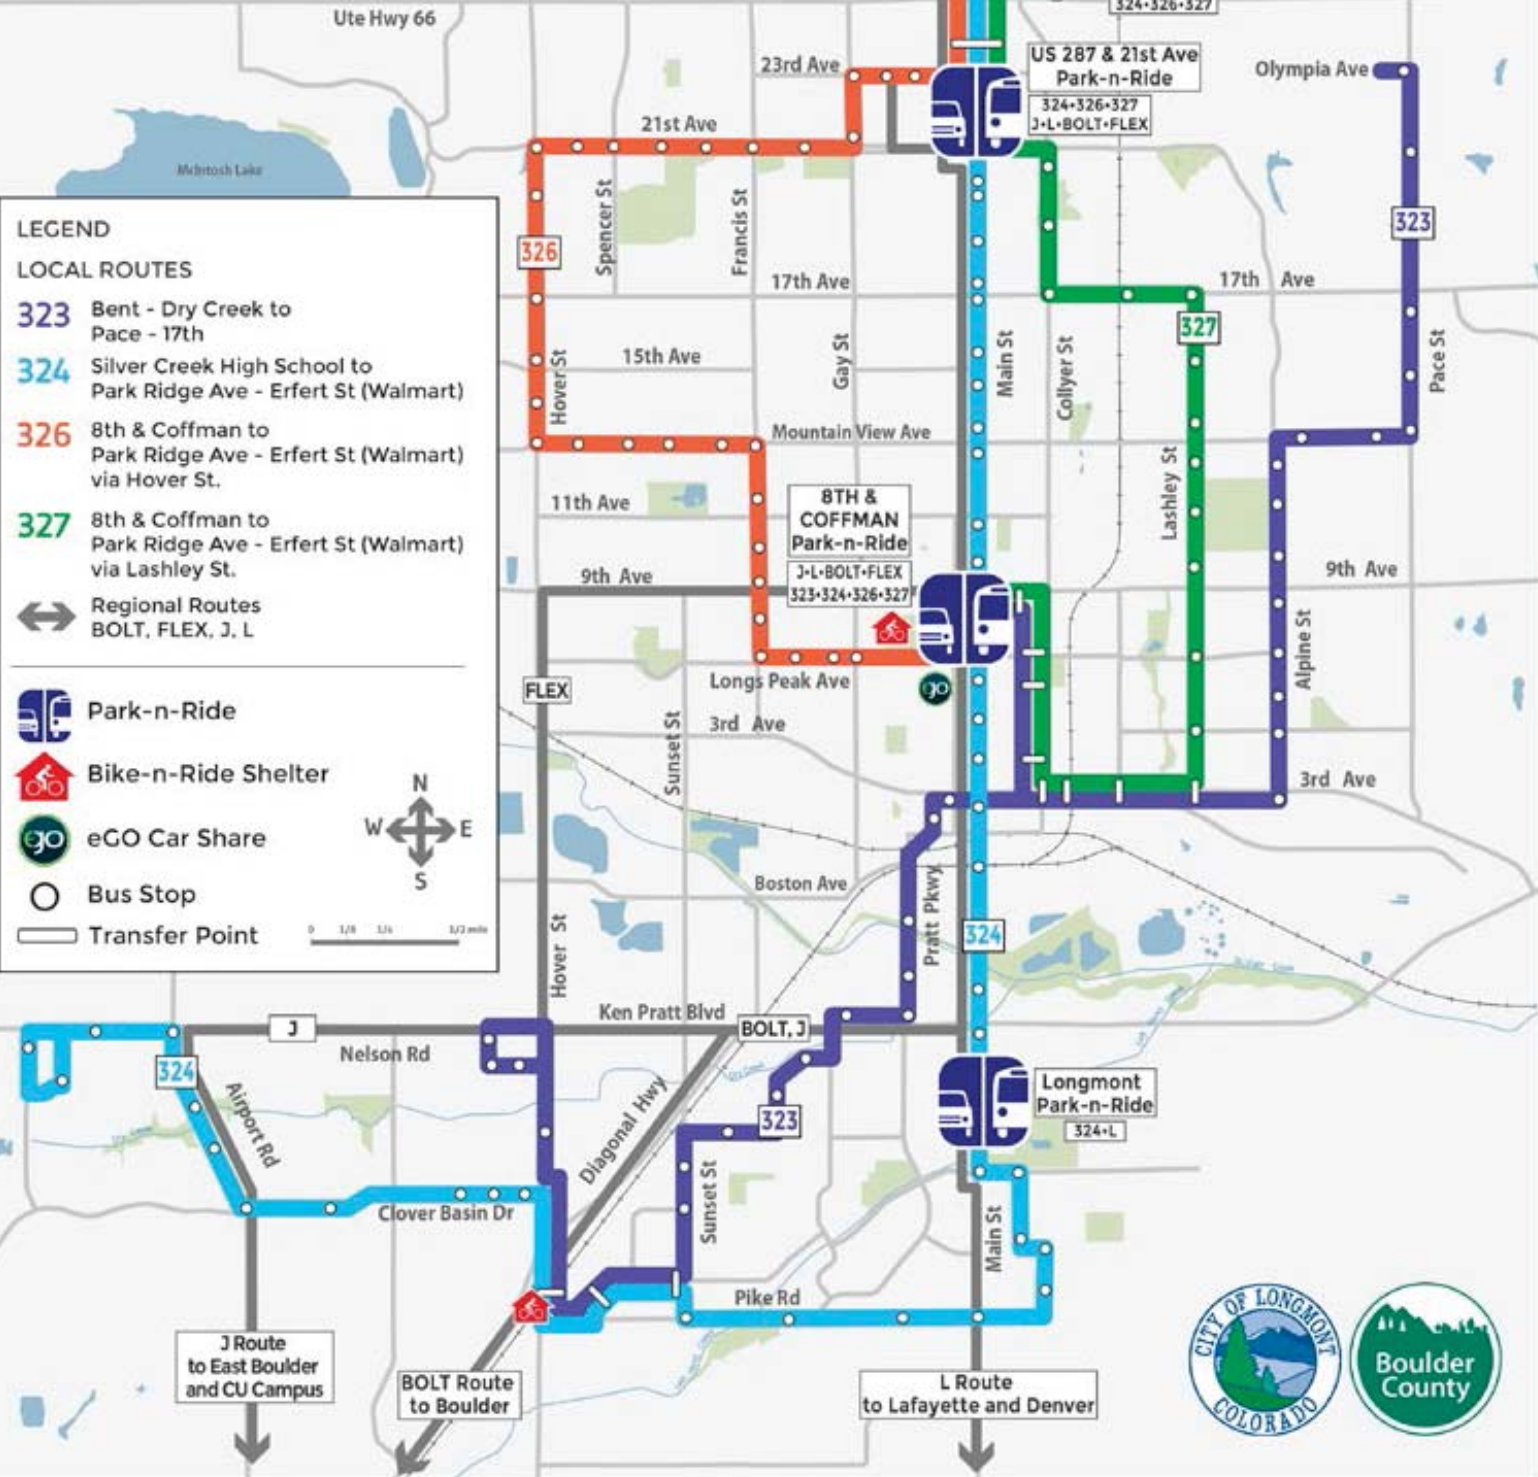

Ride Free Longmont provides unlimited trips on Longmont's local buses at no charge to riders, and it includes a transfer credit to RTD regional bus routes. No cards, passes or ID of any kind are needed to ride the local routes. The program is paid for by the City of Longmont.

You
Can
Help

KEEP OUR WATER CLEAN

Our daily activities have the potential to affect water quality if we don't make good choices. Pollutants can end up on driveways, sidewalks, streets and gutters where they can be washed into a storm drain by rain, snowmelt, or water from sprinklers. Storm drains carry these pollutants directly to our creeks and waterways without treatment, which can harm aquatic life and affect downstream uses.

Properly Dispose of Waste

Only rain and snow melt should go down the storm drain.

- Never wash anything down the storm drain. Use dry clean up methods, such as an absorbent like kitty litter, swept up with a broom and dust pan.
- Use the Local Resources to properly dispose of waste such as household hazardous waste, used motor oil, yard waste, and medications.
- Put your trash in a trash can.

Doo Good

Pet waste contains bacteria and nutrients, which can pollute our waterways.

- Carry poop bags.
- Put the bags in a trash can. Never leave a bag on the ground — there's nobody designated to pick them up!
- At home, pick up pet waste and put it in the trash.

Lawn and Garden

Well-kept gardens and yards beautify our neighborhoods, but improper maintenance can pollute our waterways.

- Hand pull weeds.
- Sweep grass clippings back onto your yard after mowing.
- Mulch mowing is an effective way to fertilize your lawn.
- Apply fertilizer and weed control sparingly and in accordance with the manufacturer's instructions.
- Don't over water. Excessive runoff wastes water and chemicals you may have added to your yard.
- Sign up for curbside composting or take leaves to the Waste Diversion Center.

By following these tips, you are helping create a more sustainable Longmont. Learn more at

bit.ly/sustainability-longmont

KEEP IT CLEAN
'cause WE'RE ALL DOWNSTREAM

Vehicle Maintenance

Well maintained vehicles and proper maintenance procedures can protect our waterways.

- Fix leaks! Those drips on the pavement will be washed into the nearest creek the next time it rains.
- If you work on your own vehicle capture spills and clean them up using dry clean-up methods and properly dispose of the material. Never hose down any spills.

USE DRY CLEAN-UP METHODS!

Car Washing

While it isn't illegal to wash your car in your driveway, it isn't a good practice. Commercial car washes dispose of or treat the water properly, and in many cases, they recycle it.

- Wash your car at a commercial car wash.
- If you choose to wash your car at home, wash it on the lawn so that water can be absorbed by grass.
- If you're planning a car wash fundraiser, ask a local car wash if you can use one of their wash bays.

Local Service Providers

The City of Longmont Recreation staff strives to provide a broad spectrum of recreation and leisure opportunities for a wide range of ages, interests and abilities.

However, we also acknowledge that not every recreational interest is addressed in our program line up. With this in mind, we would encourage you to contact one or more of the other local providers that provide quality programs in the Longmont community.

A list of local service providers is available online at LongmontColorado.gov/rec on the athletics page.

Every effort is made to provide accurate information. If you are a local service provider and would like to have your information included on the list, please send your information to RecSupport@LongmontColorado.gov.

VOLUNTEERS MAKE IT POSSIBLE

Divisions and departments across the City rely on the support of volunteers for a variety of projects and programs. Winter and Spring months are filled with programs and events large and small. From volunteer youth basketball coaches, to assisting with the 2nd grade field trips at Sandstone Ranch Visitors & Learning Center, to helping out at the Underwater Easter Egg, we depend on YOU to help create a fantastic community in which to live!

If you are interested in contributing to our Longmont community and making Longmont the best it can be, visit our volunteer pages online at longmontcolorado.gov/community/volunteer-opportunities.
