Suggested Action: Update concerning tracking 2018 water related legislative bills.

The Second Regular Session of the Seventy-first Colorado General Assembly convened on January 10, 2018, and adjourned on May 9, 2018. Each month during the 2018 Legislative Session, staff provided Water Board with the current water related Legislation Bills Longmont is tracking. For May 2018, there are no new water related legislation bills added to Water Board's tracking sheet. For descriptions and status on the bills Longmont has been tracking, attached is Water Board's 2018 legislation tracking sheet.

For additional Legislative information visit Water Board's web page located at <http://longmontcolorado.gov/departments/boards-committees-and-commissions/directory-of-boards-committees-and-commissions/water-board>.
