Free admission on the second Saturday of every month.

## EXHIBITIONS

### Ansel Adams: Early Works Open Through May 26, 2019

Ansel Adams was a giant in the field of landscape photography. In his images of the unspoiled Western landscape, he strove to capture the *sublime*: the transcendentalist concept that nature can generate the experience of awe for the viewer. Many viewers are familiar with the Adams' heroic, high-contrast prints from the 1970s. Much less well known are the intimate prints that the artist crafted earlier in his career. This exhibition focuses on these masterful small prints from the 1920s into the 1950s. Throughout the various styles in which he chose to work, Adams explored the power of nature and succeeded in establishing landscape photography as a legitimate form of modern art.

### Ruckus Rodeo: Pop Art & Cowboy Culture June 14, 2019 – January 5, 2020

Explore *Ruckus Rodeo*, an immense, walk-through work of art consisting of painted two-dimensional surfaces and sculptural three-dimensional figures that depict the Fort Worth rodeo created by renowned pop artist Red Grooms. Wire, canvas, burlap, acrylic paint, and fiberglass were used to construct the work's larger-than-life caricatures of rodeo archetypes. Grooms' engaging work is characterized by a grand sense of spectacle, encompassing the ritual, pageantry, and disorderly commotion of a real rodeo event. The exhibit also celebrates the grand heritage and mythology of the American West with a kids' corral of hands-on cowboy activities including a hobbyhorse obstacle course, lassoing, old West photo station, and more.

#### Exhibit Opening Reception

Be the first to experience the new exhibit and enjoy complimentary entertainment and light appetizers. Cash bar.

Date: **Jun 13, Thurs, 7-9pm**

Fee: \$8 adults, \$5 students/seniors, children 3 & under and Museum members free

## KIDS PROGRAMS

### Discovery Days

Discovery Days is an early childhood program at the Longmont Museum that encourages children ages 2 to 6 and their parents/caregivers to engage together in educational, hands-on art activities. Through social interaction and inspiring experiences, this program is a place where play and learning connect.

2 to 6 yrs: **Apr 3- May 10: Wednesday, Thursday, Friday**

Session I: 9-10:15 am      Session II: 10:30-11:45am

Session III: 12:30-1:45pm

Location: Longmont Museum, 400 Quail Rd

Fee: \$4 members / \$4.50 non-members, no registration required

### Summer Camp

Summer Camp at the Museum means discovering art, history, science and technology and your creative self! Half day and full day options are available all of June and July for kids ages 3-16.
