The cost of Police services varies based on the individual officer's overtime rate. In 2019 this can range between \$46.00 and \$84.00 per officer per hour. There is a 3 hour minimum charge per officer. For additional cost information contact the Police Department, Special Operations Administrative Assistant 303-775-3564

The Longmont Department of Public Safety reserves the right to add additional security to special events when intelligence indicates additional security concerns. Any additional security would not be charged to the event sponsor.
