NEXTLIGHT™ RESIDENTIAL

Give your home the fastest internet in the nation.

Connect at the Speed of LIGHT

All of our services are designed to bring you more value. We are committed to fair and transparent pricing, which is why we have **no contracts, no data caps, and no hidden fees.** Our gigabit connection means you enjoy fast access to the content you want, when you want it. Our customers choose NextLight because of the excellent value we provide.

INTERNET

NextLight is the fastest Internet Service Provider in the nation, offering you unbeatable speeds at the best price. You'll have the speed to stream, game, upload, and download with ease.

HOME PHONE - at only \$25 a month!

With NextLight's Digital Voice phone service for your home, you know you're getting the best of everything. Enjoy crystal-clear telephone service with unlimited local and nationwide calling, affordable international rates, voicemail, robocall blocking, caller ID, and more.

CUSTOMER-FOCUSED

NextLight is Longmont-based and community-owned. If you ever need to call for support, you'll talk with someone right here in Longmont. As your neighbors, we strive to provide you with excellent service. When you need help, just pick up the phone or come see us. We are here to serve you.
