

Electric Service Request

Project Name or Address: _____

Primary Contact Name and Phone Number:

Submit this document with initial Site Plans or Public Improvement Plans into the City of Longmont’s Design Review process or prior to applying for a Building Permit Application where electric utility service is required. This form initiates the engineering and design process for an electric service extension or revision of existing electric services within the City of Longmont.

Provide one paper copy and an electronic file to include the items listed below. Refer to the City of Longmont Design Standards for electronic file requirements and LPC submittal requirements.
