Minor Prairie Dog Permits are applicable if the property is less than 1 acre and/or if there are less than 25 prairie dogs. If applying for a Major Prairie Dog permit, a \$500 application fee will be charged. At the issuance of the permit, an applicant for a Major Prairie Dog permit may also be issued a \$1,200 Habitat Restoration Fee for each acre of active prairie dog habitat lost. There are also fees and/or deposits associated with signs used for relocation and extermination.

What is the size of the property? 3.27 ACRES Is the property greater than 1 acre? Yes No

If property is less than 1 acre, please skip the following section. about 1/2

The City of Longmont requires that properties greater than 1 acre be reviewed by a wildlife biologist and provide a copy of the findings of the survey. Please see the attached checklist for property survey requirements.

Has the property been reviewed by a wildlife biologist? Yes No

What was the identified Active Prairie Dog Habitat (APDH) size? Staff determined it was under 1 acre.

What was the official count of prairie dogs? Unknown GPS measurement concluded 0.2129 Acres.

I hereby certify that the information submitted is true and correct. In submitting the signed application, I acknowledge and agree that the application is subject to all the terms and conditions for Prairie Dog Control as defined in Ordinance 0-2019-01. I understand that any false statements or omissions may result in denial or revocation of this permit. I also understand that in accordance with Ordinance 0-2019-01, the City has permission to enter property to confirm the site, prairie dog active habitat size, and count.
