TRANSFERABLE SKILLS

Jobs in Recreation Services utilize a variety of skill sets that pave the way for successful careers within and after city employment.

Part time work matters!

Help lead our team in exemplary customer service with the flexibility to work around life's other commitments.

Your Safety and Skills are important to us: We make sure you know what to do.

OUR COMMITMENT TO YOU:

- 1** Training before you start 
- 2** On the job support 
- 3** Advancement Opportunities as you grow. 

GROW WITH US

Many of our instructors and leaders were once participants in our programs themselves. While many jobs require a minimum age of 16, it is not too early to learn the skills necessary for your first job. Look at swim classes, be involved in a sports team, and babysit. Experience at any age counts - so be sure to include it in your cover letter.
