

INFORMATION FOR BLOCK PARTY ORGANIZERS

PLEASE KEEP THIS INFORMATION

1. **Complete applications must be submitted to the City Clerk's Office, 350 Kimbark Street, fifteen (15) business days prior to the block party.**
2. A block party is a street closure to facilitate neighbors on a specific block getting together to build a sense of community. The City of Longmont supports block parties that provide the following:
 - Primary participants are residents of the block where the street is closed
 - Only low risk activities are involved
 - No fees or donations are charged to participate
 - No large scale amplified sound is used
 - All ordinances are observed including those pertaining to alcohol on public places
3. Block parties are typically held on neighborhood streets. A block party may be allowed on collector streets, however, additional traffic control devices may be required and there may be additional fees for this equipment.
4. Block parties will not be allowed on arterial streets (i.e. Mtn. View, Main St., etc).
5. Anyone impacted by the street closure must be notified as evidenced by their signature on the *Acknowledgement of Street Closure*. If a signature is not obtained for a property affected by the closure, please provide an explanation. It is recommended that you distribute the *Notification of Street Closure* 3 to 5 days prior to the block party as a reminder to residents and businesses.
6. If the City Clerk's Office receives an objection to the street closure from any resident or business, City staff may adjust the street closure plan to avoid blocking certain residences or businesses.
7. **For street closures, traffic control devices such as barricades and "Street Closed" signs are required at each location as specified on the traffic control plan provided by the City.** The Recycle Center, located at 140 Martin Street, (303) 651-8596, will supply the barricades and signs, if available.
 - a. Barricades may be picked up at 140 Martin St. between 9:00 a.m. and 5:00 p.m. Monday through Saturday. **You will need an open, flatbed truck, and two people to load and unload the barricades. No cars please as barricades are eight feet long.**
 - b. **The applicant must leave a \$25 deposit in the form of a check or cash at the time the application is dropped off at the City Clerk's office.** Your deposit will be returned to you when all barricades are returned in the same condition as received, and on time.
 - c. The applicant understands that they are responsible for setting up the barricades according to the traffic control plan and may only close the street during the hours indicated on the permit.
 - d. **Barricades must be returned to 140 Martin St. by 2:30 p.m. Monday through Saturday.** The applicant is responsible for any lost and/or damaged items. A \$5.00 per day late charge **will** be deducted if the devices are not returned on time.
